Cemetery Records

Copies of complete compilations of several local and surrounding area cemeteries are available for viewing in our Osseo library. These books were documented for genealogical reference by Jim Seidelman (Los Angeles, CA) and his sister Sue Feltes (Osseo, WI). We sincerely thank them for the time and effort they dedicated to this project.

These books are extremely generous and valuable gifts that we are grateful to have included in our archival collection. Please handle with care.

In appreciation,

Hauge Memorial Library Staff
