

**\*Children under the age of 12 are not allowed to use the public computers without parental supervision.**

**Parental Permission Agreement**

As the parent or legal guardian of the minor child signing below, I have read and agree to the Internet Acceptable Use Agreement. I understand that my child (age 12 or older) will be using the computer for **academic purposes**. I understand that some material on the internet may be objectionable, but I accept responsibility of my child's choices in using internet sites.
